

Approved For Release 2005/03/30 : CIA-RDP83M00171R000200070003-6

CI DEFINITION/EO 12036

Counterintelligence means information gathered and activities conducted to protect against espionage and other clandestine intelligence activities, sabotage, international terrorist activities or assassinations conducted for or on behalf of foreign powers, organizations or persons, but not including personnel, physical, document or communications security programs.

Approved For Release 2005/03/30 : CIA-RDP83M00171R000200070003-6

DCI RESPONSIBILITIES FOR COUNTERINTELLIGENCE

- DCI has budgetary responsibility for the National Foreign Intelligence Program (NFIP), including the CI resources of all agencies engaged in CI activities.
- DCI uses the staff of his Deputy for Resource Management to do Community CI assessments to promote CI program effectiveness and review and evaluate NFIP budgets.
- Conduct CI activities outside the United States and coordinate CI activities conducted outside the United States by other agencies within the Intelligence Community--primarily the military CI agencies, but also the FBI.
- Without assuming or performing any internal security functions, conduct CI activities within the United States, but only in coordination with the FBI and subject to the approval of the Attorney General.

Remarks: I was replaced today by [] whom the DCI decided today to take with him to the SCC/CI. According to [] the DCI asked the NSC for permission to take two persons with him, which would have enabled me to also go, but this was denied. I met briefly with the DCI and [] prior to the SCC/CI meeting. The DCI was primarily interested in what I knew about possible stands of the other parties. I spoke on the DoD view of the desirability of an Executive Secretary and gave my opinion. Attached is the paper which the DCI used, as provided to me by []. The DCI chose to describe the SIGINT and Imagery threats in summary form and to discuss capabilities in community terms. (The original request was for Agency doctrine and [])

and capabilities.

The DCI apparently first read and prepared for today's meeting last night. Rusty obtained specific data for him this morning, but the outline was basically done by the DCI himself according to Rusty.

It will be important to ascertain soonest what the action decisions of the meeting are and who has the action.
